Oslisanthinty to have walls ent in opplight offices of Gulleries to furnish light to fainters.

: The Corcoran Gallery of Art. To the Committee on the Brilding "The bore oran Gallery of Out"

Gentlemen I respectfully ask authority to have eight opening or mindows, cut through the lath and plaster walls of the shy. light spaces of the East, West, South Cast, and South West gallevis, and also that of the Octagon room. These openings are meensary to afford light to the painters now at work in the adjoining lofts, partiers of which are almost totally dark, and it is not possible that the painting should be properly done, unless the men

The openings can be cuts for about \$ 12 or \$15.

Very respectfully,

Af Barbarin,

ant curation

Chers authority for worm of
cleaning repairs in the
Gullery during the Summer.
approved

The Coreovan Gallery of art. To the Committee on the Building. Gentlemen Under outhority The Board of Inistees on June 10. 1889, I respectfully ask to have the following approved, with permission to have the work done. 1. To engage a sufficient force at laborers wages, during the time the Gallery is closed, for general cleaning, 2. To have the cellars whitewashed where necessary, 3. To have the marble statues in the miches on the outside of the building cleaned and washed (to be done with the cleaning force engaged) 4. To have the floors varnished or brightened in some manner. The material to be purchased and The work done by the cleaning force)

5. To have the carpets cleaned.

6. To applace broken frie brich, and clean furnace (\$33.)

7. To have the steam coils examined and put in order,

8. To have the photograph case in the annex to the Jourtees room, grained. This work was perthoned from last summer to allow the wood to become thoroughly seasoned.

9. To have a more convenient & appropriate stand made at a moderate cost, for the exhibition of photographs at the famiters desh. The table now in use is unsuitable

and musightly.
10. To have an miside iven gate made for the cellar entrance on 17th street, for the protection of the cellar when the outside dow is opened for ventilation. The won abutters are breaking from their bringes, and need repair.

11. To have the outside wood with of the mindous painted. The mindous were pointed for years ago, and require it for the purewation

of the wood. 12. To have the doors of the entrance to the Galley cleaned is brightened.

I respectfully submit estimates from J. C. Newton for painting which was ordered by the Board of Junters June 10. 1889, and also a bid from 6. a Schneider & Sons for repair of cellar doers, and wen gate,

Very respectfully
